**If you experience any issues getting connected, please reach out to Bloom Support at (877) 735-6089.**

### WiFi Connection

#### Using the SSID method to connect WiFi

On your wireless device, find this SSID and enter the Wi Fi Password on your wireless clients and you can surf the internet.

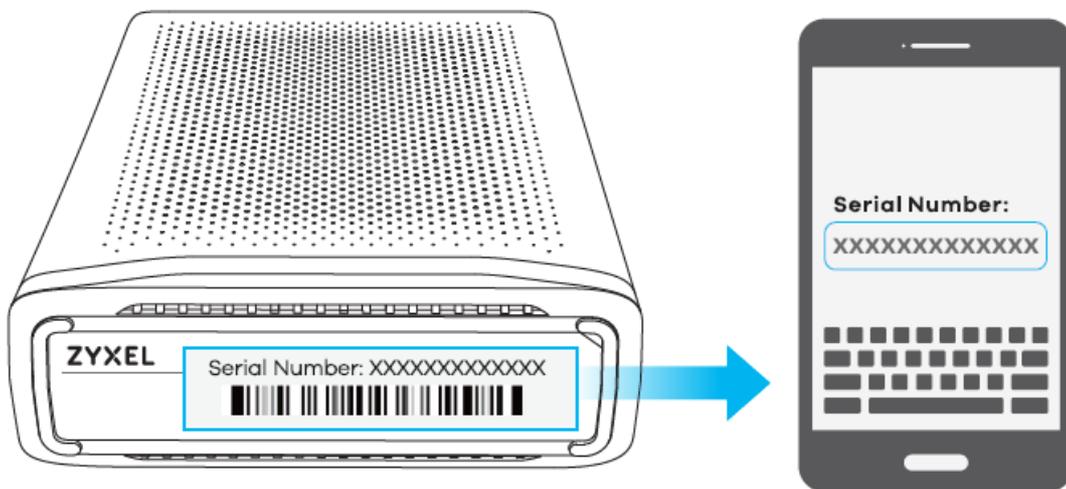

## App Management

1. After successfully surfing the internet, please download the MPro Mesh app to your wireless device to manage your MPro Mesh.

2. Open this app and enter the EX3510-B1's serial number. The serial number is on the bottom label as below.

3. Use this app to enjoy the following features:

- Remote Management
- Internet Instant Block
- View Home Devices
- Guest Wi-Fi
- Push Notification Manage
- Home Wi-Fi Name
